

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON, D.C. 20370-5100

MEH:ddj
Docket No: 3121-00
21 November 2000

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 21 November 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 1160 PERS 815 of 24 August 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

Enclosure

MEMORANDUM FOR CHAIRMAN, BOARD FOR CORRECTION OF NAVAL RECORDS
Via: PERS-00ZCB

Subj: BCNR PETITION ICO DCCS [REDACTED]

Ref: (a) SNM's DD Form 149 dtd 25 Apr 00
(b) NAVADMIN 132/99
(c) NAVADMIN 050/00

Encl: (1) BCNR File

1. In response to reference (a), recommend disapproval of the petitioner's request.

- The petitioner reenlisted on 31 January 2000 for four years to have sufficient OBLISERV for BUPERS orders 0130 to NAVSUBTRACENPAC PEARL HARBOR, HI.

- Reference (b) did not list a zone "C" SRB entitlement for the DC(0000) rate and DC(4811) rate/NEC at the time the petitioner reenlisted.

- Reference (c) released on 10 March 2000 with an effective date of 1 April 2000 listed a zone "C" SRB entitlement for the DC(4811) rate/NEC with an award level of .5.

- The petitioner requests to cancel the 30 month extension of 13 November 1998 and allow him to reenlist for the zone "C" SRB entitlement offered in reference (c).

- Naval Personnel Command/OPNAV cannot provide information pertaining to subsequent SRB NAVADMINs until after the NAVADMIN has been released. Therefore the petitioner could not have been counseled concerning reference (c) prior to the reenlistment. The petitioner's hindsight is not sufficient grounds to expunge the extension agreement as no error or injustice was committed.

2. In view of the above, recommend the petitioner's record remain as is.

3. This is an advisory memorandum to reference (a) for use by the Board for Correction of Naval Records (BCNR) only. Enclosure (1) is returned.
